

Accessible Entry - Via Loading Dock

Accessible Entry - Via Loading Dock

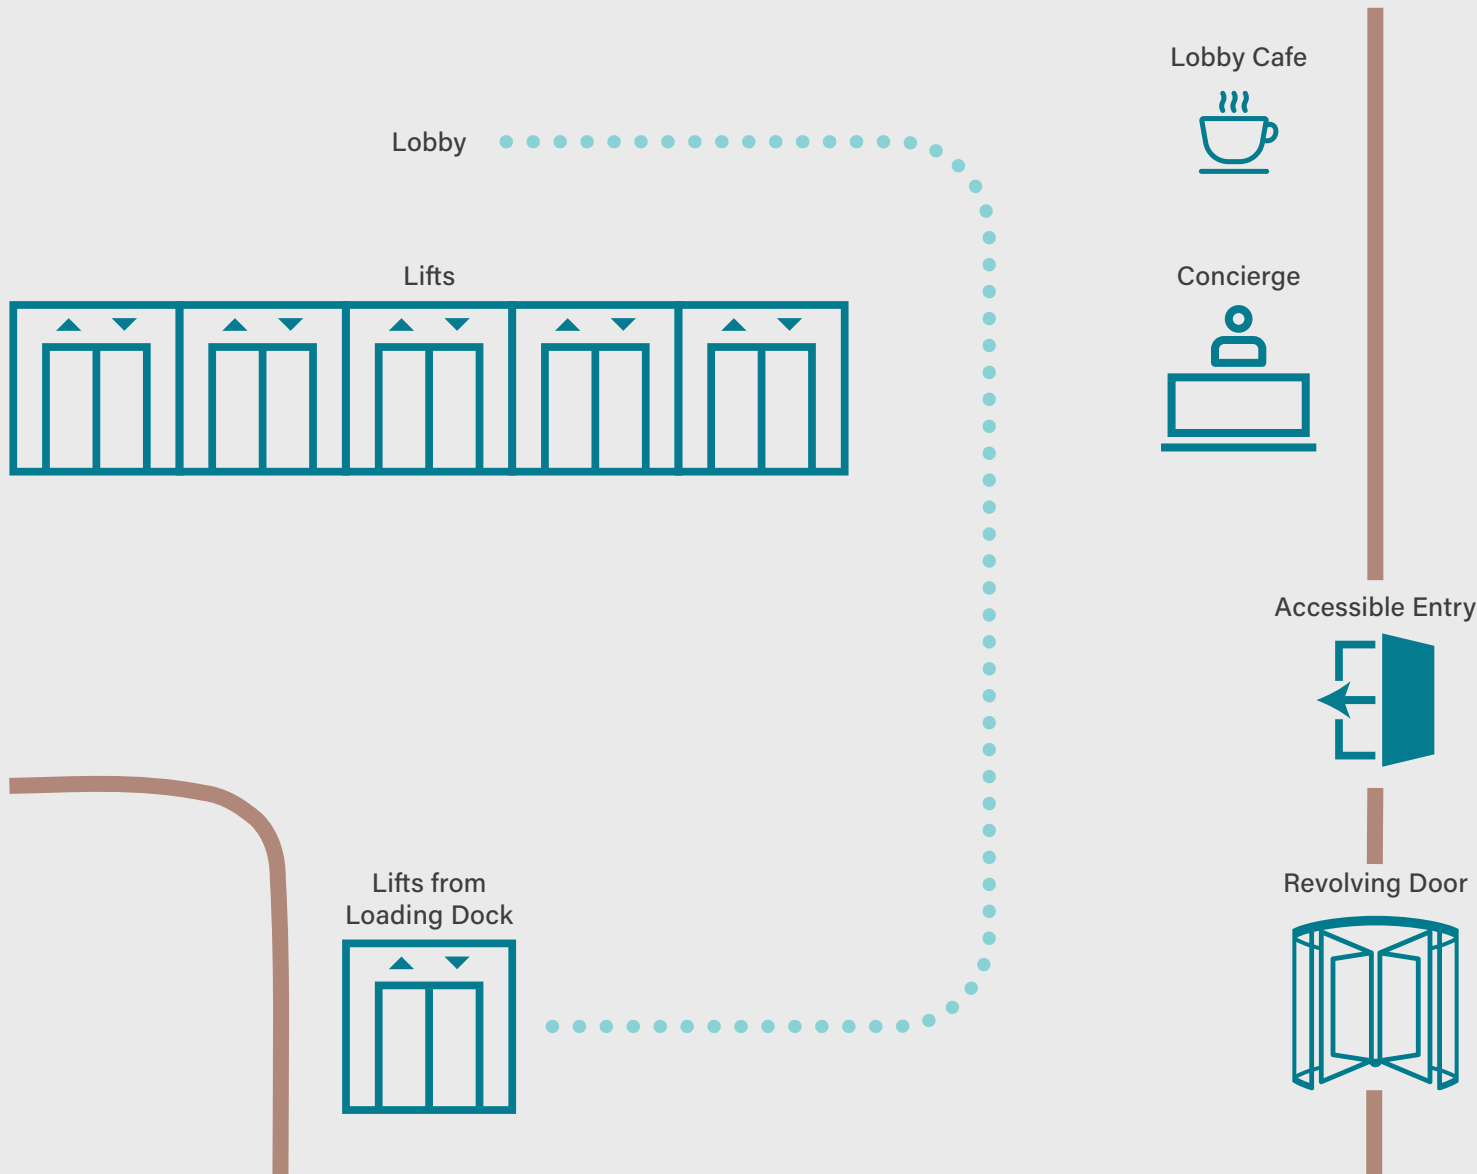

*Note this is NOT a public car park is tenanted parking only which we do not have any spaces - We can request car space but this is not guarantee.

-  Car will enter loading dock via Philip Street.
*Note loading dock/car park entry is very steep.
-  Once down loading dock ramp entry, security officer will meet car and direct where to park/drop off. This will generally be to the right just outside Security office/delivery drop zone.
-  Once exited the car passenger lift is to the right.
-  Go past Goods Lifts.
-  Building entry will be directly in front.
-  Press green button to open.
-  Passenger lifts will be through this door on right hand side.
-  Catch lift to L (Lobby).
-  Once at lobby head left to Passenger lifts A to F.
-  Press L 5 on Lift call panel (if unable to Concierge will be able to help with this).
